The proceeds from this year's "Light the Way" will be used to assist in the construction of an outpatient clinic associated with the INUKA Rehabilitation Hospital in Ilembula, Tanzania. This hospital serves children with disabilities (half of the disabled population of Tanzania is served by INUKA). The INUKA Rehabilitation Center provides a place where children with disabilities can be treated with respect and dignity while their God-given rights are guaranteed. The hospital is a hope-filled place where parents can be taught that their children with disabilities are blessed children of God. Fr. Nestor Mtwewe, who served at Saints Peter and Paul Church from September 2018 until January 2021, is the Administrator of the INUKA Rehabilitation Hospital. This new outpatient facility is being funded by "Hope for Tanzania"; an organization of Saints Peter and Paul parishioners committed to helping Fr. Nestor in his mission to support the needs of families in Tanzania.
